

# Applying What You Learn: Using the General Index to Take Notes

Using the GENERAL INDEX in the WORLD ALMANAC, please create a concept map of the subheadings that are listed under the keyword/main topic listing for EXPLORATIONS, EXPEDITIONS. In your circles for the subheadings – PLEASE BE SURE TO INCLUDE THE PAGE NUMBER(S). You will need this later to review what you have learned.

You have been studying explorers in class. After you have identified the subheadings under EXPLORATIONS, EXPEDITIONS, please look through information on each section, starting with the first in alphabetical order, and identify some of the notable people that you have talked about in class, filling out the chart below. If you need more space, please use another sheet of paper.
